- 6 "(h) Special Rules Relating to Arbitrage.—
- 7 "(1) IN GENERAL.—A bond shall not be treated
- 8 as failing to meet the requirements of subsection

- of the issue of which such bond is a part are in-
- vested for a reasonable temporary period until such
- proceeds are used in making qualified solar energy
- loans.
- 14 "(2) Earnings on Proceeds.—Any earnings

In case of any such separation, the credit under this section shall be allowed to the person who on the credit allowance date holds the instrument evidencing the enti-

- tlement to the credit and not to the holder of the bond.
- "(B) CERTAIN RULES TO APPLY.—In the case of a separation described in subparagraph

 (A), the rules of section 1286 shall apply to the Residential Solar Energy Bond as if it were a stripped bond and to the credit under this section as if it were a stripped coupon.
 - "(3) Treatment for estimated tax purposes.—Solely for purposes of sections 6654 and 6655, the credit allowed by this section to a tax-payer by reason of holding a Residential Solar Energy Bond on a credit allowance date shall be treated as if it were a payment of estimated tax made by the taxpayer on such date.
 - "(4) Credit may be transferred.—Nothing in any law or rule of law shall be construed to limit the transferability of the credit allowed by this section through sale and repurchase agreements.
- 20 "(5) Reporting.—Issuers of Residential Solar 21 Energy Bonds shall submit reports similar to the re-22 ports required under section 149(e).

"(1) IN GENERAL.—If any bond which when issued purported to be a Residential Solar Energy Bond ceases to meet the requirements of subsection (c), the issuer shall pay to the United States (at the time required by the Secretary) an amount equal to the aggregate of the credits allowable under this section (determined without regard to subsection (e)) for taxable years ending during the calendar year in which such cessation occurs and the 2 preceding calendar years.

"(2) Failure to pay.—If the issuer fails to timely pay the amount required by paragraph (1) with respect to any issue, the tax imposed by this chapter on each holder of any bond which is part of such issue shall be increased (for the taxable year of the holder in which such cessation occurs) by the aggregate decrease in the credits allowed under this section to such holder for taxable years beginning in such 3 calendar years which would have resulted solely from denying any credit under this section with respect to such issue for such taxable years.

"(3) Special rules.—

"(A) TAX BENEFIT RULE.—The tax for the taxable year shall be increased under paragraph (2) only with respect to credits allowed

1	by reason of this section which were used to re-

11	able under this part, or
12	"(ii) the amount of the tax imposed
13	by section 55."
14	(b) Reporting.—Subsection (d) of section 6049 of
15	such Code (relating to returns regarding payments of in-
16	terest) is amended by adding at the end the following new
17	paragraph:
18	"(8) Reporting of credit on residential
19	SOLAR ENERGY BONDS.—
20	"(A) IN GENERAL.—For purposes of sub-
21	section (a), the term 'interest' includes amounts
22	includible in gross income under section 30B(g)
23	and such amounts shall be treated as paid on
24	the credit allowance date (as defined in section
25	30B(f)(1)).

- "(B) 1 REPORTING TO CORPORATIONS, 2 ETC.—Except as otherwise provided in regula-3 tions, in the case of any interest described in 4 subparagraph (A) of this paragraph, subsection 5 (b)(4) of this section shall be applied without 6 regard to subparagraphs (A), (H), (I), (J), (K), and (L)(i). 7
- 8 "(C) REGULATORY AUTHORITY.—The Sec-9 retary may prescribe such regulations as are 10 necessary or appropriate to carry out the pur-11 poses of this paragraph, including regulations 12 which require more frequent or more detailed 13 reporting."
- 14 (c) CONFORMING AMENDMENT.—The table of sec-15 tions for subpart B of part IV of subchapter A of chapter 16 1 of such Code is amended by adding at the end the fol-17 lowing new item:

- 18 (d) Effective Date.—The amendments made by 19 this section shall apply to obligations issued after December 31, 2001.
- 21 (e) GUIDELINES FOR APPLICATIONS.—Not later than 22 January 1, 2002, guidelines specifying the criteria to be

- 1 shall be developed and published by the Secretary of En-
- 2 ergy in the Federal Register.
